### **Simformotion™ LLC Announces Scholarship Opportunity**

Simformotion™ LLC, Morton, Ill.—a leader in heavy equipment simulator training solutions—announces an academic collegiate scholarship opportunity for the 2011-2012 school year. A \$2,000 scholarship will be awarded to a student with an interest in pursuing a career in heavy equipment operation, construction management or any heavy equipment-related program.

Students enrolled in an accredited heavy equipment-related program at an institution that utilizes Cat Simulators as part of their training program, with a minimum GPA of 2.75, are eligible for the scholarship.

Vice President Renee Gorrell says, “We are proud to contribute to the education of a person that will be involved in enhancing the landscape of the world.” She adds, “Using simulators as part of an end-to-end training program provides a safe environment for the student to learn and become familiarized with controls and basic applications. Plus, simulators do not use fuel so are a benefit to our environment and save the user organization the costs associated with fuel.”

To receive an application for the Cat Simulators Scholarship send an e-mail to [info@catsimulators.com](mailto:info@catsimulators.com) with the word “Scholarship” in the subject line.

Cat virtual training simulators are available in models for the Hydraulic Excavator, Off-Highway and Mining Trucks, M-Series Motor Grader, Small and Large Wheel Loaders, Wheel Tractor-Scraper and Track Type Tractor.
